PROFILE

Currently a student and taking a course of Computer Engineering in National College of Science and Technology (NCST). Motivated and detailed Computer Engineering student with strong problem-solving and teamwork skills. Bringing forth a positive attitude and willingness and motivation to learn new programs

WORK EXPERIENCE

I currently don't have work experience as I am still in the process of pursuing my education and personal growth. As of now, my family continues to support my daily expenses, and I am grateful for their encouragement and assistance. This support allows me to focus on my development and prepares me for future opportunities in the workforce.
